

Africa counter stool 48x47x85

by Eugeni Quitllet

Thank's to the Africa's recent success and growth, Vondom makes a commitment to sustainability but without forgetting what makes this collection so special, a practical yet elegant and serene collection, just like our Mediterranean Sea, where its inspiration comes from. The Africa chair also has simple and natural lines that are ideal to create the perfect setting in outdoor spaces to enjoy with family and friends.
