

Ibiza sun lounger

by Eugeni Quitllet

This is the first collection we launched by recovering and manufacturing recycled fishing nets from the Mediterranean Sea because we thrive to build a better future. Eugeni Quitllet was inspired by the idyllic natural surroundings of Ibiza, where he spent his childhood, to design a unique Mediterranean inspired collection. Wave-shaped like pieces that also simulate seashells.

Info

Description

Made from polypropylene and reinforced with fiberglass manufactured by gas injection. Stackable . Available in various colors. Suitable for indoor and outdoor use.

In addition, the “Vondom Revolution” finish means it is made from 100% recycled plastic from the Mediterranean sea.

Weight: 15.8 Kg
